## ZERO TO HERO : CLASSIC

This is the classic fast track course which will take an absolute beginner to Bareboat Skipper level in just 14 days. The course is ideal for new yacht owners and enthusiastic would-be sailors, but also for aspiring professional yacht skippers. It is the perfect foundation course for those seeking a career in yachting as it covers the majority of the material and skills that a professional will need to perfect in order to get a Yachtmaster certificate..

First you will learn the basics of sailing, and then goes on to train you to become a skipper who can handle a crew, navigate safely and take command of a vessel during fair weather and in safe coastal waters.

# YACHT TRAINING IN ASIA

You will earn an IYT Bareboat Skipper Certificate and an IYT VHF Operator's certificate. And be entitled to apply for an International Certificate of Competency (ICC) Sail.

## Certificate Limitations

- Command of a vessel up to a maximum length of 24m / 78ft
- Up to 20 miles offshore
- In daylight hours
- In fair conditions with moderate wind and sea conditions

This certificate is the level of competence needed when chartering a boat where there is a restricted cruising area and the vessel has to be safely moored in a marina or anchored before dark..
